# CLEAN CLEANGSING WATER

Feel The Perfect Ph Balance  
And Moisture By Cleansing  
Comfortably With Cellradar's  
Special Prescription And Plant -  
derived Surfactant Without  
Irritation.

CELLRADAR

#ALL SKIN TYPE #HYPOALLERGENIC CLEANSING #SOOTHING #MOISTURIZING

# WEAK ACIDITY HYPOALLERGENIC ANTI-AGING MOISTURIZING

Micellar particles of plant-derived natural surfactants cleanse ultra-fine dust as well as makeup

## CHARACTERISTICS

- ✓ Weak acidic pH water similar to healthy skin.
- ✓ Micro Micellar particles penetrate deep into the pores of the skin and selectively pull out only ultrafine dust and makeup residue to cleanse.
- ✓ A gentle cleansing with a hypoallergenic formula.

## Effectiveness Of Ingredients by Steps of Penetration

### INTO THE SKIN BARRIER

#### Step 1. Cleansing

- Polyglyceryl-4 Caprate
  - Polyglyceryl-6 Caprylate
- Remove skin waste by applying physical force.

#### Step 2. Adjusting skin pH control

- Citric acid
- Balance pH with mild acidity similar to skin barrier.

#### Step 3. Improvement of damaged skin trouble

- Black Pearl (Hydrolyzed conchiolin protein)
- Decrease a skin trouble and regenerate skin cells by anti-inflammatory effects.

#### Step 4. Skin recovery and regeneration

- Bio-Pseudane
- Collagen regeneration and inhibition of collagen-degrading enzymes.

#### Step 5. Moisturizing

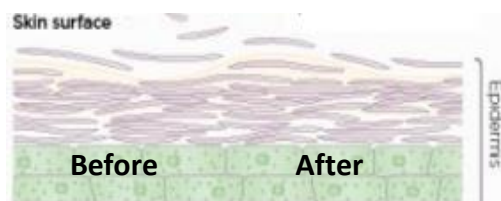

- Marine Sugar<sup>TM</sup>\_LMFO M
- Adjusts the balance of skin moisture.

#### CLEANSING COSMETICS & DUSTS

#### SKIN PH BALANCE

#### DEAD SKIN CELL REMOVAL

## CLEAN CLEANGING WATER

### HOW TO USE

---

#### 1. GENERAL

1. Put an appropriate amount of cleansing water products on your hands.
2. massage the entire face like as rinse with water on your face
3. Rinse with warm water (recommended but not mandatory)

#### 2. THICK MAKEUP

1. Wet the product with cotton pads.
2. Wipe out from the center of the face, eyes, lips, and cheeks.
3. For thick makeup, put a cotton pad soaked with cleansing water on the skin surface for about 30 seconds and wipe it off.
4. Wash your face with water again
5. Repeat steps 1-4 once again if needed

#### 3. SIMPLE MAKEUP

1. Wet the product with cotton pads.
2. Wipe out from the center of the face, eyes, lips, and cheeks

### RECOMMEND THESE PEOPLE TO USE

---

- For those who are looking for daily cleansing products for sensitive skin.
- For those who have dry skin after washing their face.
- If you're worried about fine dust in your pores.

ETERNALITY AURA LINE

Reset a New standard for Anti-aging through the Vitality of Marine

# AURA TONER

For bright and transparent skin,  
we deliver with all our heart

CELLRADAR

# BRIGHTENING SKIN CALMING BALANCING MOISTURIZING

Brightening Effect Product That Soothes Tired And Damaged Skin And Can Be Used Lightly By Those Who Want Bright And Transparent Skin.

## CHARACTERISTICS

- ✓ Brightening effect cosmetics that can be used for all skin type since EWG 1,2 grade ingredients are used and thus bring a less skin trouble.
- ✓ Faster moisturizing, enhances skin smoothness and supports whitening
- ✓ Betaine, triple multi-hyaluronic acid, and adenosine, which are excellent for calming skin, soothes sensitive skin.
- ✓ Bio-Pseudane and 9 peptide complex, which help skin recovery and regeneration, make skin tissue elastic.

## Effectiveness Of Ingredients by Steps of Penetration

### INTO THE SKIN BARRIER

---

#### Step 1. Skin calming

- Betaine

The first step of skin calming, moisturizing, and skincare with penetration and anti-inflammatory effects

#### Step 2. Improvement of damaged skin trouble

- Triple Multi-Hyaluronic Acid (Hyaluronic Acid, Hydrolyzed Hyaluronic Acid, Sodium Hyaluronate)
- Adenosine

Three types of multi-hyaluronic acid hydrate the skin from the epidermis to the depths of the dermis to help relieve skin volume and wrinkles to maintain smooth skin  
Promoting collagen formation, endothelial skin proliferation, anti-inflammatory effects

#### Step 3. Improvement of damaged skin trouble

- Niacinamide

Vitamin B3 complex, skin nutritional supplements, melanin synthesis inhibition, Vital skin, skin barrier enhancement, hydration and sebum production control

#### Step 4. Skin recovery and regeneration

- Bio-Pseudane
- 9 Peptide complex (Tripeptide-3, Acetyl Hexapeptide-8, Acetyl Octapeptide-3, Copper Tripeptide-1, Palmitoyl Pentapeptide-4, Palmitoyl Tetrapeptide-7, Palmitoyl Tripeptide-1, Tripeptide-1, Tripeptide-2)

Collagen regeneration and inhibition of collagen-degrading enzymes  
A complex of peptides with several effects, including Acetyl Hexapeptide-8, a botox-like ingredient with wrinkle improvement and lifting effects, and Copper Tripeptide-1 that induces collagen synthesis

#### Step 5. Moisturizing

- Marine Sugar<sup>TM</sup>\_LMFO M

Adjusts the balance of skin moisture.

## CLEAN CLEANGING WATER

### HOW TO USE

---

#### Case 1

After washing your face cleanly, wet the cotton pad with enough product and gently wipe it from the inside of your face.

#### Case 2

If there is any area that needs skin calming, use a cotton pad as a pack and place it on your skin for about 5 minutes.

#### Case 3

Take about 2 teaspoons on hand and tap to absorb on the skin

#### Case 4

Apply certain amount to shaving area

### RECOMMEND THESE PEOPLE TO USE

---

- People with oily skin.
- If you want to maximize the absorption of the next step.
- For those who want mild whitening care with sensitive skin.

ETERNALITY AURA LINE

Reset a New standard for Anti-aging through the Vitality of Marine

# AURA SERUM

To strengthen the Skin Barrier, AURA SERUM found the optimal complex formula of anti-aging substances found in the sea and known anti-aging substances to deliver the vitality of the sea to the skin.

CELLRADAR

# HIGH CONCENTRATION ANTI-WRINKLE, BRIGHTENING FUNCTIONAL COSMETICS

#ALL SKIN TYPE #HYPOALLERGENIC CLEANSING #SOOTHING #MOISTURIZING

## CHARACTERISTICS

- ✓ With wrinkle and brightening functional cosmetics, high concentrations of raw materials found in the sea and known expensive raw materials have maximized functionality with optimal mixing ratio.
- ✓ As an essential step to strengthen the skin barrier, Bio-Pseudane, Marine Sugar\_LMFO-M, Black Ginseng Extract, Niacinamide, Squalane, Triple Multi-Hyaluronic Acid, 9 peptide complex, Caprylic/Capric Triglyceride, Hydrogenated Lecithin, and Biosaccharide Gum-1 were used as the main ingredients.
- ✓ The ingredients to strengthen the skin barrier penetrate the epidermis, dermis, and subcutaneous tissue to prevent melanin pigmentation, collagen production, and moisturizing processes to create healthy skin barriers.

## Effectiveness Of Ingredients by Steps of Penetration

### INTO THE SKIN BARRIER

---

#### Step 1. Recovery of damaged skin

- Triple Multi-Hyaluronic Acid (Hyaluronic Acid, Hydrolyzed Hyaluronic Acid, Sodium Hyaluronate)
- Adenosine

Three types of multi-hyaluronic acid hydrate the skin from the epidermis to the depths of the dermis to help relieve skin volume and wrinkles to maintain smooth skin

Promoting collagen formation, endothelial skin proliferation, anti-inflammatory effects

#### Step 2. Strengthening the skin barrier

- Black Ginseng extract
- Hydrogenated Lecithin
- Caprylic/Capric Triglyceride
- Squalane

Supplying skin nutrition, promoting blood circulation and strong antioxidant power, major saponin Rg3, compound K, F2

The effect of absorbing good ingredients and discharging wastes, helps to form healthy cell membranes

Excellent oxidation safety, skin absorption, penetration, application, and moisture

Activates epidermal growth promoter and removes harmful oxygen to regenerate damaged skin cells

#### Step 3. Brightening

- Niacinamide

Vitamin B3 complex, skin nutritional supplements, melanin synthesis inhibition, Vital skin, skin barrier enhancement, hydration and sebum production control

#### Step 4. Anti-aging

- Bio-Pseudane
- 9 Peptide complex (Tripeptide-3, Acetyl Hexapeptide-8, Acetyl Octapeptide-3, Copper Tripeptide-1, Palmitoyl Pentapeptide-4, Palmitoyl Tetrapeptide-7, Palmitoyl Tripeptide-1, Tripeptide-1, Tripeptide-2)

Collagen production and inhibition of collagen-degrading enzymes

A complex of peptides with several effects, including Acetyl Hexapeptide-8, a botox-like ingredient with wrinkle improvement and lifting effects, and Copper Tripeptide-1 that induces collagen synthesis

#### Step 5. Moisturizing

- Marine Sugar<sup>TM</sup>\_LMFO M
- Biosaccharide Gum-1

Adjusts the balance of skin moisture.

Polysaccharide polymeric moisturizer, softening the skin, and forming a moisture film on dry skin to keep it moist for a long time.

## CLEAN CLEANGING WATER

### HOW TO USE

---

- After using the toner in the skin care stage, pump once or twice on your hands and spread it evenly on your face, then tap it to absorb it.

### RECOMMEND THESE PEOPLE TO USE

---

- For those who have experienced rapid aging due to skin stress.
- For those who have a lot of freckles due to the deposition of melanin pigment.
- People who have rough skin and lack elasticity.

# AURA EYE CREAM

To strengthen the Skin Barrier, AURA EYE CREAM found the optimal complex formula of anti-aging substances found in the sea and known anti-aging substances to deliver the vitality of the sea.

CELLRADAR

# HIGH CONCENTRATION ANTI-WRINKLE, BRIGHTENING FUNCTIONAL COSMETICS

#All Skin type #Skin Barrier #Hypoallergenic Anti-aging #Whitening #Moisturizing

## CHARACTERISTICS

- ✓ With wrinkle and brightening functional cosmetics, high concentrations of raw materials found in the sea and known expensive raw materials have maximized functionality with optimal mixing ratio.
- ✓ As an essential step to strengthen the skin barrier, Bio-Pseudane, Marine Sugar\_ LMFO-M, Black Pearl, Niacinamide, Squalane, Triple Multi-Hyaluronic Acid, 9 peptide complex, Butyrospermum Parkii (Shea) Butter, Hydrogenated Polydecene, and Theobroma Cacao (Cocoa) Seed Extract were used as the main ingredients.
- ✓ The ingredients to strengthen the skin barrier penetrate the epidermis, dermis, and subcutaneous tissue to prevent melanin pigmentation, collagen production, and moisturizing processes to create healthy skin barriers.
- ✓ Enhance Anti-aging and moisturization.

## Effectiveness Of Ingredients by Steps of Penetration

### INTO THE SKIN BARRIER

---

#### Step 1.Recovery of damaged skin

- Triple Multi-Hyaluronic Acid
- (Hyaluronic Acid, Hydrolyzed Hyaluronic Acid,Sodium Hyaluronate)
- Adenosine
- Black Pearl

Three types of multi-hyaluronic acid hydrate the skin from the epidermis to the depths of the dermis to help relieve skin volume and wrinkles to maintain smooth skin  
Promoting collagen formation, endothelial skin proliferation, anti-inflammatory effects  
It helps improve skin trouble and regenerate skin with anti-inflammatory effects.

#### Step 2. Strengthening the skin barrier

- Squalane
- Hydrogenated Polydecene
- Cetearyl Glucoside
- Polyglyceryl-3 Methylglucose Distearate

Activates epidermal growth promoter and removes harmful oxygen to regenerate damaged skin cells  
Molecular structure similar to vegetable squalene.  
Effect of blocking moisture evaporation, maintaining moisture, and normalizing dead skin conditions  
Natural emulsifier for good skin use  
At pH 4.5~8.5, stable emulsion, temperature change not sensitive, UV protection, skin conditioning.

#### Step 3. Brightening

- Niacinamide

Vitamin B3 complex, skin nutritional supplements, melanin synthesis inhibition, Vital skin, skin barrier enhancement, hydration and sebum production control

#### Step 4. Anti-aging

- Bio-Pseudane
- 9 Peptide complex  
(Tripeptide-3, Acetyl Hexapeptide-8, Acetyl Octapeptide-3, Copper Tripeptide-1, Palmitoyl Pentapeptide-4, Palmitoyl Tetrapeptide-7, Palmitoyl Tripeptide-1, Tripeptide-1, Tripeptide-2)

Collagen production and inhibition of collagen-degrading enzymes  
A complex of peptides with several effects, including Acetyl Hexapeptide-8, a botox-like ingredient with wrinkle improvement and lifting effects, and Copper Tripeptide-1 that induces collagen synthesis

#### Step 5. Moisturizing

- Marine Sugar<sup>TM</sup>\_LMFO M
- Butyrospermum Parkii (Shea) Butter
- Theobroma Cacao (Cocoa) Seed Extract

Adjusts the balance of skin moisture.  
Natural allantoin, vitamin E, carotene ingredients, skin conditioning agent, blocking water evaporation, non-water-soluble thickener  
Blocking moisture evaporation in the skin and protect the skin from oxidative stress.

## CLEAN CLEANGING WATER

### HOW TO USE

---

- Apply an amount of finger and spread it from the inside of your skin to absorb it.
- In addition to the eyes, it can be used in the same way for laugh lines, mouth lines, foreheads, and neck wrinkles.

### RECOMMEND THESE PEOPLE TO USE

---

- For those who have experienced rapid aging due to skin stress.
- For those who have a lot of freckles due to the deposition of melanin pigment.
- People who have rough skin and lack elasticity.

It helps improve skin trouble and regenerate skin with anti-inflammatory effects.

#### Step 3. Brightening

- Niacinamide

Vitamin B3 complex, skin nutritional supplements, melanin synthesis inhibition, Vital skin, skin barrier enhancement, hydration and sebum production control

#### Step 4. Skin recovery and regeneration

- Bio-Pseudane
- 9 Peptide complex (Tripeptide-3, Acetyl Hexapeptide-8, Acetyl Octapeptide-3, Copper Tripeptide-1, Palmitoyl Pentapeptide-4, Palmitoyl Tetrapeptide-7, Palmitoyl Tripeptide-1, Tripeptide-1, Tripeptide-2)

Collagen production and inhibition of collagen-degrading enzymes

A complex of peptides with several effects, including Acetyl Hexapeptide-8, a botox-like ingredient with wrinkle improvement and lifting effects, and Copper Tripeptide-1 that induces collagen synthesis

#### Step 5. Moisturizing

- Marine Sugar™\_LMFO M
- Xanthan Gum
- Biosaccharide Gum-1

Adjusts the balance of skin moisture.

Natural Polysaccharide, Viscosity Increase and Moisturizer

Polysaccharide polymeric moisturizer, softening the skin, and forming a moisture film on dry skin to keep it moist for a long time.

## CLEAN CLEANGING WATER

### HOW TO USE

---

- After washing your face, tidy up your skin with an aura toner.
- Remove the sheet mask from its packaging and unfold it without tearing.
- Line up the mask with your face shape, eyes, nose, and mouth.
- Gently press the mask to the form of your face until it's sticking evenly.
- Remove the mask after 15-20 minutes.
- Use the remaining essence and apply it lightly to your face and neck.

### RECOMMEND THESE PEOPLE TO USE

---

- For those who want to take care of moisture as well as soothing care.
- People with skin that lacks elasticity and lacks moisture.
- People who have difficulty choosing skincare products because of their sensitive skin types.
